Drawing inspiration and design language from the heart of snow surfing's origin in Japan, the Infuse SnowSurf snowboard boot embodies the fluid and artistic mindset of utilizing natural mountain contours for an unparalleled ride.

This new model combines a V2 outsole, complemented by a V3 liner and footbed to deliver top-tier comfort and performance.

The oversized PleasureCuff™ helps increase the boot's range of motion while navigating turns effortlessly, while an asymmetrical flex pattern creates enhanced mobility to ensure versatile an...
